Get your tickets early as there are a limited number available!

This film was written, produced, directed by & co-stars NHS graduate Mike Lombardi, and features the film debut of current NHS student Erik Bloomquist as “Phil” and several former NHS students in various roles.

“Grandpa is a Weirdo!” is a light hearted comedy which deals in part with the serious issue of school bullying. The film will be presented to Disney Channel, Nickelodeon, ABC Family and other networks as a potential pilot for a weekly television series, and will also be sold for DVD movie distribution nationwide.

Funds raised will be used by Youth-Adult Council and Rotary Club to support local community programs.

We hope to see you there!
